

I demand that FCC take action to prevent Sinclair Broadcasting from illegally airing propaganda in order to maintain a fascist regime in power. FCC has a duty to uphold the law and protect our airwaves from being used for benefit of one political party. Even though the bosses of FCC are same scum as people that run Sinclair Broadcraping, many people that work in FCC are decent proffesionals who take their jobs seriously and perform their duties responsibly. Kerry will win despite these illegal actions and his people will take a long and hard look at who to keep and who to fire from FCC, especially if you do nothing now. Act in your own, as well as in public interest. Thank you.
